UPDATE to IH-1900 Blazemaster® CPVC Installation Instructions and Technical Handbook

LANSDALE, Pa. (February 28, 2013) – Tyco Fire Protection Products (TYCO), a global leader in fire suppression technologies, announces recent changes made to IH-1900 Blazemaster® CPVC Installation Instructions and Technical Handbook.

. Updates include the following:

- Inclusion of 3 addendums into master IH-1900 handbook
- Updated references to the latest NFPA Standard (2013)

Printed handbooks will be available and shipped out with CPVC product beginning in March 2013. A digital copy of the updated Installation Instructions and Technical Handbook is currently available on www.tyco-fire.com.
