

Tyco Fire Suppression & Building Products  
451 North Cannon Avenue  
Lansdale, PA 19446

May 9, 2008

To Our Valued Customers;

Raw material, energy and transportations costs continue to rise dramatically, making it necessary for us to announce a general price increase across all our product lines effective Tuesday, June 17, 2008.

List prices will adjust as follows:

Sprinklers, valves and devices	+ 9%
CPVC pipe	+ 9%
CPVC fittings	+ 7%
Fire Protection Grooved Products	
Domestic	+ 10.5%
Import	+ 12%
Resale	+ 5% - 50%

Increases on resale products are vendor specific and vary. For individual items, please refer to our published price book found at [www.tyco-fire.com](http://www.tyco-fire.com).

The increase will be effective for all orders placed on and after June 17. Orders placed prior to June 17 for immediate shipment will be processed at the existing price schedule. A new price schedule reflecting this increase will be available on our web site by Tuesday May 27.

We thank you for your continued support, and we look forward to being of service to you.

Regards,

Carmine Schiavone  
General Manager, Americas
