**Johnson Controls Fire Suppression Products will implement a Fire Systems Components price increase effective July 8th, 2019**

Dear Valued Customer,

We at Johnson Controls work hard to keep our costs low by continuously improving our production efficiency and by working with our material suppliers. However, as a result of the recently increased tariffs, we are informing you of an Americas price increase on some Fire Systems Components.

- Fire Grooved: 15%
- Wall Posts: 8%
- Iron Body Valves: 8%

All orders placed on or after July 8<sup>th</sup>, 2019 will be processed at the new price levels.

We appreciate your business and we look forward to working with you in the future. If you have any questions, please contact your Johnson Controls representative.

Thank you for your continued support.

Sincerely,

Johnson Controls Fire Suppression Products Team, Americas
